Contractor Information

Name _____ City _____ State _____

Rebates are available for EV chargers (Level 2) purchased on or after January 1, 2017. The charger must be installed where electricity is supplied by Wright-Hennepin and controlled on an off-peak rate. Rebate submittal must follow the guidelines as outlined by Wright-Hennepin. Wright-Hennepin is not responsible for inaccurate information supplied by vendors. Rebate program is subject to change or cancellation without notice. Call Wright-Hennepin at (763) 477-3000 to verify rebate program status.

I certify that the EV charger for which I am claiming a rebate is a qualifying appliance, that it has been installed at the address listed above and that this address represents a valid Wright-Hennepin electric account.

Member Signature _____ Date _____

Important:

- Rebate amount is up to $500 toward the purchase/installation of the 240-volt Level 2 charging station.
- EV is required and must have a minimum of 4.5 kW charger rating.
- EV charger must be installed within Wright-Hennepin's electric service territory. One install per premise.
- EV charging station must be on the Electric Vehicle Storage Charge Energy Saving Program (EVSC).
- Additional outlets for your EV that are not off-peak outlets are prohibited when participating in the storage program.
- Fill out this form completely. Incomplete forms will not be processed.
- Include your account number and sign the form.
- Rebate dollars are limited and will be paid on a first-come, first-served basis.
- Rebates will be issued as a credit on your Wright-Hennepin electric bill.
- Submit completed rebate form and a copy of the original sales receipt within 90 days of installation date to:
