

# WH Energy Savings Electric Vehicle Charging Options

Wright-Hennepin's (WH) Electric Vehicle Charging programs give you options to save energy and reduce your electric bill by charging during Off-Peak hours.

WH has two Electric Vehicle Charging options:

## Option 1: Electric Vehicle Storage Charge Program

- Energy rate during charging time is \$.06 per kWh.
- Energy rate is not subject to Power Cost Adjustment (PCA).
- Charging time is eight hours per day from 11 p.m. - 7 a.m.
  - Charging is not available all other hours.
- Requires a separate meter socket and receiver to be installed on the outside of home.
- Rebate available on cars with minimum of 4.5 kW charger rating.

## Option 2: Electric Vehicle Time-of-Use Program

- Energy rate varies during the day.
  - From 12 p.m. - 10 p.m. weekdays - \$0.2060 per kWh.
  - All other hours and holidays - \$0.0605 per kWh.
- Energy rate will be subject to power cost adjustment (PCA).
- Charging is available 24/7.
- Requires a separate meter socket to be installed on the outside of home.
- No rebate available.

You cannot switch between the two programs because the metering equipment required for each is different.

Energy-Savings Program (ESP) meter and receiver equipment will need to be located outside the home for both options.

Please allow six to eight weeks for rebate processing after ESP installation.

## 2019 REBATE AVAILABLE

**WH Energy Savings Program rebate: \$200**

**Conservation Improvement Program (CIP) rebate: \$500**

**Rebates available toward the purchase/installation of the 240-volt Level 2 charging station with a car that has a minimum of 4.5 kW charger rating.**

Rebates only available on Option 1: Electric Vehicle Storage Charge.

Enrollment in the Electric Vehicle Storage Charge rate is required to receive rebate.

Rebates are available on new installations only. Rebates will be given as a credit on your bill.

Rebate forms may be downloaded at [www.whe.org](http://www.whe.org).

Learn more by talking to a WH representative at (763) 477-3000 or visit WH's website at [www.whe.org](http://www.whe.org).

Rebates are paid on a first-come, first-served basis. Terms and conditions are subject to change.

Program information applicable through 12/31/19
