

## PURPA statement

The Public Utilities Regulatory Policies Act (PURPA) of 1978 states that WH is obligated to interconnect with and purchase electricity from member-owned qualified generation facilities. WH will provide information on its PURPA policies and local democracy rules to all interested persons free of charge upon request.

Any disputes over interconnection, sales and purchases are subject to resolution by WH.

If any member has questions regarding PURPA policies, contact WH at (763) 477-3000.
