News Release

WRIGHT-HENNEPIN TO HOST FREE SOLAR ENERGY INFORMATIONAL MEETING

Rockford, MN (April 20, 2015) — Knowledge and refreshments will be provided at a solar energy informational meeting held at Wright-Hennepin Cooperative Electric Association's (WH) Rockford headquarters located at 6800 Electric Drive on Thursday, April 30, from 6 p.m. to 7:30 p.m.

All WH members are invited to attend the meeting. This is a great opportunity to learn about the advantages of solar energy and get informed on WH's existing solar communities, and the opportunity for homeowners to purchase power from future projects. Members will also have the chance to ask questions to Steve Nisbet, WH's vice president of renewable and alternative energy. RSVP today by calling (763) 477-3000.

WH is a member-owned non-profit electric utility that provides electric power to Wright County and the western part of Hennepin County. The cooperative has been a corporate citizen in this area since 1937 and currently serves more than 46,000 electric accounts. The utility started its security division in 1989 and provides local home security solutions as well as monitors alarm systems for almost 60,000 customers in 32 states and three Canadian provinces.
