WRIGHT-HENNEPIN DONATES NIGHT LIGHTS AND USB PLUGS TO LOCAL SCHOOLS

Rockford, MN (April 22, 2022) — Wright-Hennepin Cooperative Electric Association (WH) donated more than 3,600 LED night lights to kindergartners and 3,300 USB plugs to third graders throughout the service territory during the week of April 18-22.

WH makes an annual donation to kindergartners and third graders in nearly 40 community schools that ties into electricity. WH started donating LED night lights to kindergartners because they are safer and more energy efficient. WH began donating USB plugs to third graders in 2021 after being inspired by the distance learning and increased technology used by children during the COVID-19 pandemic.

Wright-Hennepin Cooperative Electric Association is a member-owned, not-for-profit electric utility that provides power to rural Wright County and western Hennepin County. The cooperative has been a corporate citizen to the area since 1937 and currently serves more than 57,500 electric accounts. It is headquartered in Rockford, Minn.

Kindergartners from Otsego Elementary School show off their new night lights, which were donated by Wright-Hennepin Cooperative Electric Association.

Third grade students from Otsego Elementary pose with their donated USB plugs from Wright-Hennepin Cooperative Electric Association.
