Terms of the WH Energy-Saving Rebate Program

- Metered water storage rebate amount is up to \$200 for one 100-gallon water heater and mixing valve.
- Rebates will be issued as a credit on your WH account.
- Water heater must be installed within WH service territory.
- Water heater must be on the \$0.06434 Metered Water Storage Energy-Saving Program (ESP).
- **From October 1 – April 30:** Recharge between 10 p.m. – 6 a.m., Monday – Friday.
From May 1 – September 30: Recharge between 10 p.m. – 9 a.m., Monday – Friday.
Weekends and holidays: No control except for peak conditions, high energy prices or system emergencies.
- Energy will be sold at \$0.06434/kWh. The energy sold for this program will not be subject to the Power Cost Adjustment.
- Water heater must be sized appropriately for the family and square footage of the home.

- Member is responsible for water heater installation cost and maintenance of the water heater.
- HTP carries a lifetime warranty. Register your water heater at <https://htp.secure.force.com/warrantywizard>.
- Manufacture installation requirements must be followed to ensure you do not void warranty.
- Hot Water Recirculation units (gravity or pumped) are not recommended to be used with the water heating programs.
- Member will pay the cost and arrange installation for all special equipment and/or additional switching mechanism necessary.
- The ESP meter and receiver equipment will need to be located outside the home.
- Contact WH at (763) 477-3000 for final ESP inspection. ESP rates and rebates will not be applied until final inspection is completed.
- **Please allow six to eight weeks for rebate processing after ESP installation.**
- **The ESP for the water heater will be required to be in place for a minimum of five years.**
- **By applying for the rebate you are agreeing to the terms of the program.**
- **Must be purchased between January 1 - December 31, 2022. Submit the completed rebate form and a copy of the original sales receipt within 90 days, of purchase to:**

Wright-Hennepin Cooperative Electric Association
