Important:

- Rebate amount is \$5/kW for qualifying Dual Fuel Program participation. Minimum of 4.5 kW load connection required, maximum 50 kW per system.
- The Dual Fuel equipment must be installed within WH's service territory.
- The Dual Fuel heating system must be on the metered Dual Fuel Energy-Saving Program (ESP).
- The ESP meter and receiver equipment will need to be located outside the home.
- Portable heaters, wood burning stoves and electric space heaters DO NOT qualify as a backup heat source.
- Fill out this form completely. Incomplete forms will not be processed.
- Include your account number and sign the form.
- Rebate dollars are limited and will be paid on a first-come, first-served basis.
- Rebates will be issued as a credit on your WH electric bill.
- If electricity is your primary source of heating your home, you are eligible to receive a sales tax exemption. Forms can be found at whe.org.
- The program will be required to be in place for a minimum of five years. If removed, the rebate will be prorated and billed to your electric account.
- Please allow six to eight weeks for rebate processing after ESP installation.
- **Equipment must be purchased between January - December 31, 2023.** Submit completed rebate form and a copy of the original sales receipt within 90 days of installation date to:
