Rebates are available only for members participating in the ETS Heating Program on or after January 1, 2023. The program must be installed where electricity is supplied by WH. Rebate submittal must follow the guidelines as outlined by WH. WH is not responsible for inaccurate information supplied by vendors. The rebate program is subject to change or cancellation without notice. Call WH at (763) 477-3000 to verify rebate program status.

Member Signature _____ Date _____

Important:

- Rebate amount is \$5/kW for qualifying ETS Home Heating Program participation. Minimum of 4.5 kW load connection required, maximum 50 kW per system.
- ETS heating equipment must be installed within WH's service territory.
- The heat storage system must be on the metered Heat Storage Energy-Saving Program (ESP).
- Fill out this form completely. Incomplete forms will not be processed.
- Include your account number and sign the form.
- The ESP meter and receiver equipment will need to be located outside the home.
- Rebate dollars are limited and will be paid on a first-come, first-served basis.
- Rebates will be issued as a credit on your WH electric bill.
- If electricity is your primary source of heating your home, you are eligible to receive a sales tax exemption. Forms can be found at whe.org.
- The program will be required to be in place for a minimum of five years. If removed, the rebate will be prorated and billed to your electric account.
- Please allow six to eight weeks for rebate processing after ESP installation.
- **Equipment must be purchased between January - December 31, 2023.** Submit completed rebate form and a copy of the original sales receipt within 90 days of installation date to:
