Terms of the WH Energy-Saving Rebate Program

- Rebate amount for ASHP is \$200 per ton up to a maximum of \$900 (4.5 ton).
 - Member agrees to allow WH control up to 200 hours per cooling season. During the managing time, we will cycle your ASHP on and off during the time of control.
 - Member agrees to allow WH control to turn off ASHP for two to twelve hours at a time. During this time, the backup heating source is used.
 - Member agrees to allow the control of the ASHP which occurs on days of high electrical demand, high wholesale energy prices and system emergencies.
- Rebates will be issued as a credit on your WH electric bill.
- ASHP unit must be installed within WH service territory.
- ASHP unit will be on the Quick Cash Energy-Saving Program (ESP).
- ASHP unit will be metered at the general service rate.
- Members with an ASHP receive a credit of \$5 applied to their electric account for the months **June through November**. The member must have a minimum general service usage of 200 kWh per month to qualify for the credit.
- WH will provide installation of the load control device (receiver). WH will only pay for the standard installation of the load control device for the Quick Cash ASHP ESP.
- Member is responsible for ASHP unit installation cost and maintenance of the ASHP unit.
- Members must verify with their contractor that the newly installed ASHP system is compatible with the WH Energy-Saving demand management system equipment and control strategy to ensure no forfeiture of their manufacturer's warranty.
- **The ESP receiver equipment will need to be located outside the home.**
- **Please allow six to eight weeks for rebate processing after ESP installation.**
- **The ESP for the ASHP unit will be required to be in place for a minimum of five years.**
- **By applying for the rebate you are agreeing to the terms of the program.**
- **Does not apply to ductless systems.**
- **Form must be filled out completely. Incomplete forms will be returned.**
- **Must be purchased between January 1 - December 31, 2024.** Submit the completed rebate form and a copy of the original sales receipt within 90 days of purchase to:

Wright-Hennepin Cooperative Electric Association
Attn: Administration
PO Box 330
Rockford, MN 55373-0330

Rebates are available only for the purchase of new ASHP unit. Rebate submittal must follow the terms as outlined by the cooperative. WH is not responsible for inaccurate information supplied by vendors. Rebates are available only for the purchase of new ASHP unit.
