WH Energy-Saving Rebate Program

Terms, continued

- Hot Water Recirculation units (gravity or pumped) are not recommended to be used with the water heating programs.
- Humidifiers must be plumbed into a cold water source.
- Fill out this rebate form completely. **Form must be signed by the WH member applying for the rebate.** Incomplete forms will be returned.
- Contact WH at (763) 477-3000 for final ESP inspection. ESP rates and rebates will not be applied until final inspection is completed.
- Please allow six to eight weeks for rebate processing after ESP installation.
- The ESP for the water heater will be required to be in place for a minimum of five years. If removed, the rebate will be prorated and billed to your electric account.
- By applying for the rebate you are agreeing to the terms of the program.
- Must be purchased between January 1 - December 31, 2025. Submit the completed rebate form and a copy of the original sales receipt within 90 days of purchase to:

Wright-Hennepin Cooperative Electric Association
Attn: Administration
PO Box 330
Rockford, MN 55373-0330

Rebates are available only for the purchase of new 52-gallon or greater electric water heater on or after January 1, 2025. Rebate dollars are limited and will be paid on a first-come, first-served basis. The water heater must be installed where electricity is supplied by WH. Rebate submittal must follow the guidelines as outlined by WH. WH is not responsible for inaccurate information supplied by vendors. The rate/credit and rebate offered by this program are subject to change without notice. By participating in this program, participants acknowledge that the pricing and rebate amounts are not fixed and may be adjusted in the future. Participants accept any such changes to the program. Call WH at (763) 477-3000 to verify rebate program status.

By signing this application, I certify the program for which I am claiming a rebate is installed at the address listed above, which represents a valid WH account.
