Terms of WH rebate program

- Rebate amount is up to \$1250 for one 100-gallon water heater and mixing valve.
- Rebates will be issued as a credit on your WH account.
- Water heater must be installed within WH service territory.
- Water heater will be on the Quick Cash Water Storage Energy-Saving Program (ESP).
- Recharge times:
 - From October 1 – April 30: Recharge between 10 p.m. – 6 a.m., Monday – Friday.
 - From May 1 – September 30: Recharge between 10 p.m. – 9 a.m., Monday – Friday.
 - Weekends and holidays: No control except for peak conditions, high energy prices or system emergencies.
- Water heater will be metered at the general service rate.
- A credit of \$10 will be applied to the member's electric account monthly. The member must have a minimum general service usage of 300 kWh per month to qualify for the credit.
- Water heater must be sized appropriately for the family and square footage of the home.
- Member is responsible for water heater installation cost and maintenance of the water heater.
- HTP carries a limited lifetime warranty. Register your water heater at <https://htp.my.site.com/s/>.
- Manufacturer installation requirements must be followed to ensure you do not void warranty.

WH Energy-Saving Rebate Program

Terms, continued

- Hot Water Recirculation units (gravity or pumped) are not recommended to be used with the water heating programs.
- Humidifiers must be plumbed into a cold water source.
- WH will provide installation of the load control device (receiver). WH will only pay for the standard installation of the load control device for the Quick Cash Water Storage ESP.
- The ESP receiver equipment will need to be located outside the home.
- Contact WH at (763) 477-3000 for final ESP inspection. ESP rates and rebates will not be applied until final inspection is completed.
- Fill out this rebate form completely. **Form must be signed by the WH member applying for the rebate.** Incomplete forms will be returned.
- Please allow six to eight weeks for rebate processing after ESP installation.
- The ESP for the water heater will be required to be in place for a minimum of five years. If removed, the rebate will be prorated and billed to your electric account.
- By applying for the rebate you are agreeing to the terms of the program.
- Must be purchased between January 1 - December 31, 2025. Submit the completed rebate form and a copy of the original sales receipt within 90 days of purchase to:

Wright-Hennepin Cooperative Electric Association
Attn: Administration
PO Box 330
Rockford, MN 55373-0330

Rebates are available only for the purchase of new 100-gallon electric water heater and mixing valve on or after January 1, 2025. Rebate dollars are limited and will be paid on a first-come, first-served basis. Rebate submittal must follow the guidelines as outlined by WH. WH is not responsible for inaccurate information supplied by vendors. The rate/credit and rebate offered by this program are subject to change without notice. By participating in this program, participants acknowledge that the pricing and rebate amounts are not fixed and may be adjusted in the future. Participants accept any such changes to the program. Call WH at (763) 477-3000 to verify rebate program status.

By signing this application, I certify the program for which I am claiming a rebate is installed at the address listed above, which represents a valid Wright-Hennepin (WH) account.
