Preventative Maintenance

Preventative maintenance coverage is available as an add-on to the WH Appliance Repair plan.

On the enrollment form under Maintenance Program is a list of appliances that qualify for the preventative maintenance program.

Who Do I Call for Repairs?

When an appliance is in need of a repair, call the WH Appliance Repair dispatch center at **(763) 477-3177** and an authorized contractor will be contacted.

Technicians are available to make the necessary repairs between 8 a.m. and 4:30 p.m. weekdays.

Once repaired, the technician will test your appliance to ensure it is operating at peak performance.

Emergency service for furnaces is included in your plan and available 24/7 at no additional charge.
