

Edward R. Slebiska Memorial Lineworker scholarship application

Edward R. Slebiska Memorial Lineworker scholarship program

When Wright-Hennepin (WH) was co-founded by Ed Slebiska in 1937, he went on to become the cooperative's first CEO, holding that position from 1937 until his retirement in 1977.

Today, in memory of Slebiska and the crucial role he played in bringing electricity to rural homes and farms, WH offers this scholarship. Lineworkers are crucial to building and maintaining reliable power lines that serve members' homes and businesses.

The purpose of the Edward R. Slebiska Memorial Lineworker scholarship program is to encourage men and women in the local area to pursue an electric lineworker career.

Up to three scholarships are awarded annually, each in the amount of \$3,000.

Since the Slebiska Memorial Lineworker scholarship program started in 2002, WH has hired several recipients as apprentice linemen.

Apprenticeships

Lineworkers make up a large percentage of WH's workforce and are an important asset to the cooperative and community. Lineworkers have the opportunity to train on heavy equipment and gain many skills. Their duty to keep power on is a lifeline to the local community. Graduates of power line schools are generally hired to work as apprentice lineworkers. Apprenticeships last four years and include on-the-job training as well as correspondence coursework. The average First Step Apprentice pay is approximately \$40 per hour plus a benefit package, with graduated increases throughout the apprenticeship.
