

Wright-Hennepin at-large scholarship application

Wright-Hennepin Cooperative Electric Association (WH) and Wright-Hennepin Holding Company (WH Holding) are proud to provide scholarships to assist students in furthering their education.

About WH

Wright-Hennepin Cooperative Electric Association is a member-owned, not-for-profit electric utility that provides power to rural Wright County and western Hennepin County. The cooperative has been a corporate citizen to the area since 1937 and currently serves more than 61,000 electric accounts. It is headquartered in Rockford, Minnesota.

WH scholarship program

WH began a scholarship program in 1988 and has since awarded almost \$874,450 to local students.

Money for the scholarship fund comes from unclaimed capital credits and donations from WH Holding, which provides the legal structure for WH Security, Wright-Hennepin International Response Center and WH Services (WH Appliance Repair and WH Tree Services).

By funding the program this way, the scholarship awards are not funded through members' electric rates.

One at-large scholarship is awarded annually, in the amount of \$1,500.

Eligibility

This scholarship is for students who are homeschooled, attending online schooling, or attending a high school that does not receive a scholarship from WH already. High school seniors living in the local area are eligible to apply if they are planning to enroll full-time in an undergraduate program for the next academic year at any two-year or four-year college, university or vocational technical school in the United States.

Student's parent or guardian must be a WH member.

Please note: If you attend one of the high schools that receives a scholarship from WH already, you are not eligible for this at-large scholarship. You must apply through your high school. The list of schools receiving a scholarship can be found at bit.ly/WH-scholarships.
